# Combining public transport and cycling

Maastricht can easily be reached by public transport from any location in the Euregio Meuse-Rhine. As an EU-student in the Netherlands, you have the option to travel to and from your educational institution free of charge or at a discounted rate when utilizing public transportation. For additional information, please visit [duo.nl](https://duo.nl).

- Switching between public transport and the bike**  
If you wish to seamlessly switch between public transport and cycling, Maastricht offers two bicycle-sharing systems:
- Public transport bicycles (OV-fiets) are available for rent at Maastricht railway station for a nominal daily fee. Further details can be found at [ns.nl/en/door-to-door/ov-fiets](https://ns.nl/en/door-to-door/ov-fiets).
  - The Glimble app can also be used to access the Arriva Shared Bicycle system. Users should pay for the duration of their bicycle use. For more information, please visit [glimble.nl/en](https://glimble.nl/en)

**Travelling by P+R Noord**  
Alternatively, if you choose to travel with a car, you can park for free at P+R Noord, located in the suburbs of Maastricht. From there, you can continue your journey to the city center by bus. Arriva's bus line 10 and 30 operate every 15 minutes and cost only € 2.40 per person for a round trip to and from the heart of the city.
